in filtration

# SUPERIOR FILTERS WORLDWIDE TYK FILTER INDUSTRIES

TYK FILTERS CO., LTD.

# Our Story

More than 68 years of experience, expertise and development in filtration.

TYK Filter Industries, also known as TYK FILTERS CO., LTD., was founded in 1955 and its core business involved the manufacturing of technical rubber parts for the automotive replacement market. Since then TYK Filter Industries diversified into a group of companies that manufacture a wide range of filter products for the automotive and industrial market. Our filter products are recognized for their high quality performance and reliability. Our brand name include Flomax, TYK Filters, BC, Miyamoto, Pecco, Cabin Star, The company's successful growth has been driven by several fundamental principles that characterise the entire TYK network:

- The quality of products
- A philosophy of continuous im-
- A reliable production system

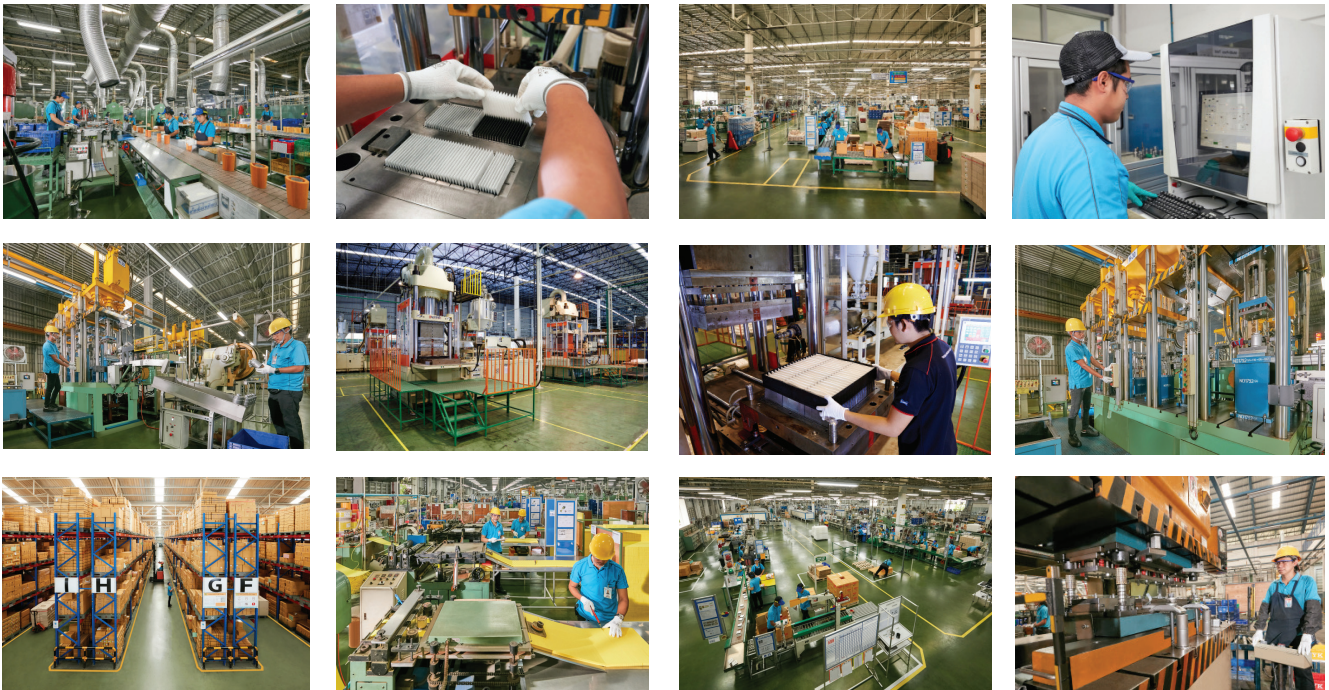

Our production system has many certifications as:

# Our Commitment

Over 60 years of experience we design, engineer and manufacture filters to meet the highest industry standards. Our worldwide range of customers get best possible service, and we offer reliability from the first contact up to the final shipped product. Environmental friendly manufacturing process is our concern. TYK's experienced workers receive best training, high compensations, and social benefits. We are committed to a better community standard.

# Our Manufacturing Excellence

# Our Solution For You

Over a wide range of filters we have in regular production program, we are very flexible to design and engineer special filter products for both automotive and industrial applications for you. Just let us have your specific requirements, and we are able to present you a high quality and cost effective solution within short time. Even if you have a small or high quantity requirement, we will be proud to be one of your partners and solution in this business. Our flexible production technology and efficient management structure allows us to cover every demand you have.

## Our Facilities

### Samutprakarn plant :

Factory area : 55,000 sqm / Capacity : 20 million filters per year  
 Products : Oil filters, Air filters, Cabin air filters, Fuel filters, Hydraulic filters, Industrial filters, Inkjet filters and others.

### Rayong plant :

Factory area : 88,000 sqm / Capacity: 10 million filters per year  
 Products : Oil filters, EDM filters, Industrial filters (V-Bank filters, Rigid pocket filters, Panel filters and HEPA filters) and others.

### TSA Rubber plant :

Products: All kinds of industrial rubber press, Automotive rubber parts, Anti vibration, Machinery rubber parts, Oil seals, Construction rubber parts, Technical rubber parts, Mold injection process and others.

## Filtration Solution

### AUTOMOTIVE FILTERS

Multipass Test standard / IATF 16949 certified  
 Full product range with superior quality

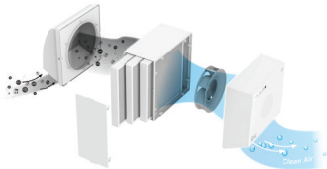

- Air Filters, Oil filters, Cabin air filters, Fuel filters  
 Hydraulic filters and Industrial engine filters

### INDUSTRIAL AIR FILTERS

UL certified and third party lab test report. Filter ranging from G2 to F9 as well as HEPA and ULPA grade filters.

- Panel filters, Rigid pocket filters, V-Bank filters,  
 Cartridge filters and Box filters.

### FAN FILTER UNIT: CLEAN AIR PLUS

Create a healthier room environment with positive pressure 3 stages high efficient air filtration.

- Better air quality, Remove odor, High air flow

### KN95 & FFP2 RESPIRATOR MASK

The first ever pleated filter respirator mask provide most comfortable breathing mask.

- Light weight, Soft material, and Longer wear times

### 3D PARTICULATE RESPIRATOR MASK

- 4 Layers filtration, Excellent breathing,  
 High filtration efficiency, Soft ear stap and Soft material

Factory Certification & Medical grade manufacturing  
 ISO 13485, ISO 9001, IATF16949, ISO 14001

**FILTER MEDIA IS SOURCED FROM EUROPE AND THE USA.**

# You Can Rely on us for Quality Filtration Solutions

More than 68 years of experience in filtration.

Some of the many industries we support:

- Automotive
- Electricity and Energy
- Health Service
- Commercial and Residential Buildings
- Industrial
- Painting booth
- Clean rooms

Custom dimensions and specifications are available on request.

You can rest assured that you will receive top quality service and filtration solutions. We have been proudly providing our valued clients with top-grade filtration solutions since 1955. Our expertise in filtration extends across the entire manufacturing spectrum, from prototyping to small and mass scale production.
